SAVED FROM SIN
2 SAMUEL 12:1-15

MAIN THOUGHT & OUTLINE

God graciously saves you from your sin by sending conviction to bring you to repentance and then applying forgiveness.

- I.** God Convicts You (v.1-12)
- II.** God Brings You to Repentance (v.13a)
- III.** God Forgives You (v.13b-15)

QUESTIONS FOR REFLECTION & DISCUSSION

- 1. In His pursuit of the sinner, God has been called “the Hound of heaven”. How grateful are you when He catches up with you and makes you confront your sin? Do you recognise that there is amazing grace in that?
- 2. Forgiveness does not mean removal of all consequences. Why do you think that is? Does this make God unkind?
- 3. Is God’s forgiveness too good to be true for you? If it is, or if you know someone who thinks it is, what are you or they missing about the work of Jesus Christ?
- 4. Covenant children – do you appreciate discipline from your parents? Why should you give thanks for it?
